1 October 2026

HANetf II ICAV (the "ICAV") – Important Information – Change in Distribution Frequency
YieldMax® Semiconductor Option Income UCITS ETF (the "Fund")

The directors of the ICAV wish to advise you of an upcoming change to the distribution frequency of the Fund.

The distribution frequency of the Fund will change from monthly to weekly and is due to take effect on 7th October 2026 (the "Effective Date")

A new version of the Fund's supplement will be published on or around the Effective Date.

Should you have any questions in relation to the above, please do not hesitate to contact HANetf at info@hanetf.com.
